## The Star in the Sky Above Bethlehem

[This video presentation](#) reveals the culmination of many years of research by Rick Larson, a Christian lawyer, on the position of the stars in the sky at the birth of Jesus. You can watch a free 8-minute introduction to the video [online here](#).

Mr. Larson, using the same software NASA utilizes, reconstructs the position of the stars when the Magi saw and followed a bright star to the birthplace of Jesus. Then, taking the same software, he moves forward 33 years to show the stars in the sky when Jesus was crucified. This is an astounding video which your group will love seeing, and it only costs \$11.85. You will be able to use it in evangelism. The star over Bethlehem has been proven to be truly visible to the Wise Men!

## Two Babies in a Manger

In 1994, two Americans answered an invitation from the Russian Department of Education to teach morals and ethics (based on biblical principles) in the public schools. They were invited to teach at prisons, businesses, the fire and police departments and a large orphanage. About 100 boys and girls who had been abandoned, abused, and left in the care of a government-run program were in the orphanage. They relate the following story in their own words:

It was nearing the holiday season, 1994, time for our orphans to hear, for the first time, the traditional story of Christmas. We told them about Mary and Joseph arriving in Bethlehem. Finding no room in the inn, the couple went to a stable, where the baby Jesus was born and placed in a manger.

Throughout the story, the children and orphanage staff sat in amazement as they listened. Some sat on the edges of their stools, trying to grasp every word. Completing the story, we gave the children three small pieces of cardboard to make a crude manger. Each child was given a small paper square, cut from yellow napkins I had brought with me. No colored paper was available in the city.

Following instructions, the children tore the paper and carefully laid strips in the manger for straw. Small squares of flannel, cut from a worn-out nightgown an American lady was throwing away as she left Russia, were used for the baby's blanket. A doll-like baby was cut from tan felt we had brought from the United States. The orphans were busy assembling their manger as I walked among them to see if they needed any help.

All went well until I got to one table where little Misha sat. He looked to be about 6 years old and had finished his project. As I looked at the little boy's manger, I was

startled to see not one, but two babies in the manger. Quickly, I called for the translator to ask the lad why there were two babies in the manger. Crossing his arms in front of him and looking at this completed manger scene, the child began to repeat the story very seriously. For such a young boy, who had only heard the Christmas story once, he related the happenings accurately – until he came to the part where Mary put baby Jesus in the manger.

Then Misha started to ad-lib. He made up his own ending to the story as he said, “And when Maria laid the baby in the manger, Jesus looked at me and asked me if I had a place to stay. I told him I have no mama and I have no papa, so I don’t have any place to stay. Then Jesus told me I could stay with him. But I told him I couldn’t, because I didn’t have a gift to give him like everybody else did.”

But I wanted to stay with Jesus so much, so I thought about what I had that maybe I could use for a gift. I thought maybe if I kept him warm, that would be a good gift. So I asked Jesus, “If I keep you warm, will that be a good enough gift?” And Jesus told me, “If you keep me warm, that will be the best gift anybody ever gave me.” So I got into the manger, and then Jesus looked at me and he told me I could stay with him – for always.

As little Misha finished his story, his eyes brimmed full of tears that splashed down his little cheeks. Putting his hand over his face, his head dropped to the table and his shoulders shook as he sobbed and sobbed. The little orphan had found someone who would never abandon nor abuse him, someone who would stay with him – FOR ALWAYS.

I’ve learned that it’s not what you have in your life, but who you have in your life that counts.

**Get your new set of materials** and then pray about starting a home group like our friend, Ingela de Bruin. Read her incredible story below to find out how God's voice is healing hearts and transforming lives across Central Europe...

### CWG Around the World: Slovakia – Ingela de Bruin

We started our course two weeks ago and meet in our living-room – 25 people – our YWAM (Youth With A

Mission) Discipleship Training students and people from seven different churches in our town. Nine nationalities are represented.

The atmosphere is great. People enjoy the teaching and Mark's humor. During the time of journaling last week, the Lord really touched some people and we are looking forward to everything that He is going to do in our midst.

Some heard the Lord speak to them personally for the first time in their lives and cried with joy. People hugged me for making these evenings possible for them; they are so excited about the course. For most people this teaching is absolutely revolutionizing.

Some friends in Bratislava, the capital, want me to spend a long weekend with them, teaching the material. I pass on your website and encourage people everywhere to download the DVDs and/or get the books. (I think we should work on getting it translated into Slovak.) I have sent a copy of the book to my niece in Sweden, and we had a couple from Rostock, Germany, do the course while they were visiting us for a week.

I know this is the time for Slovakia and Europe to hear God's voice and to experience His presence. So, be blessed and know that your hard work is bearing fruit, far beyond the American border.

Yippeel! We're so excited we learned how to hear God's voice!

### **Lift Up Your Eyes – Journaling from Mark Virkler**

*My children. You have waited. You have believed. You have received, but not all that you have believed for. However, there is coming a year of plenty, a year of abundance, a year of Jubilee, where all that has been taken from you will be restored to you.*

*So believe in Me. Do not abandon hope. Do not live in despair. Lift up your eyes, for*

*your redemption draweth nigh. You have despaired in your heart and said, "Will it ever come?" And My answer back to you is "YES! It will come! It can come!"*

*You need to trust in ME and in My hand to bring forth the deliverance you are searching for. For by the power of MY HAND, salvation springs forth. It is MY DOING, and no one else's. There is only ME. All power is in Me, saith the Lord of Hosts. I AM ALMIGHTY GOD! So believe in ME, saith the Lord of Hosts. Believe in ME and all shall be well with your soul.*

*This is the year of Jubilee. This is MY year, saith the Lord of Hosts. Trust in Me. Believe in Me. Watch and see the salvation of the Lord. Watch, I say, and see the salvation of the Lord. Watch, I say, and see. Your life will never be the same. Transformation occurs by MY Spirit, saith the Lord of Hosts. It is by My Spirit, and not of yourself lest any man should boast. It is all about ME and My Son, the Lord Jesus Christ.*

*So come and worship Him during this time set aside to honor His presence among you. Come worship the Lord Jesus Christ. Come, I say, and worship.*

### Journaling Was Difficult at First... – Daniel Olding

Journaling was a bit of a challenge but rather than giving up something, I added two-way journaling in as a daily discipline for the 40 days leading up to Lent. Now it is one and a half years later and I am still journaling on a daily basis....

☞ Want to get consistent like Daniel and practice journaling every day? Why not start now? [Review the four keys to hearing God's voice today!](#)

I thank you personally for all the teaching and [courses from CLU](#) that played a major part in this appointment coming to pass. I am on the Board of Directors with Lively Stones Ministries and The Forgotten Peoples Ministries, Inc., I have a ministry in song & preaching at Richfield Nursing Home twice monthly, I teach Sunday School at Central Baptist Church of Roanoke, VA, I minister in song with Full Gospel Businessmen Fellowship Int'l, I am a member of 2 churches, Central Baptist Church and Cliffview COG and I am active in both churches.

I am very thankful for my [Associate Degree in Biblical Studies](#). Thank you for trusting and believing in me during my time in the wilderness. CLU has made a lasting impact on my life and I give God all the glory for allowing us to cross paths. Praise is what I do and I live to honor and glorify Him.
