

Overview

A Cooperative is a group of people who are living collaboratively with common goals.

We recognize that the whole is greater than any one individual and as a result, seek ways that benefit the entire Cooperative, which in terms benefits the Members. We are a MN 308B Cooperative Association and are for profit. Basic Membership is a one time cost of only \$30.

Family Saving's CoOp mission is to help people:

1. Get out of debt
2. Obtain financial freedom - Not owing anyone and having multiple streams of income
3. Accelerate personal and professional development by providing free online training in Family, Finances, Entrepreneurship, and leadership by leading experts and authors.

The Uniqueness of Cooperative

In a cooperative, each Member has **one share and one vote**. We are not a hierarchy and we have no down lines! Our Members vote on the direction of the company, the board of directors, and future opportunities for Members to both save money and earn income. It is truly an organization that is FOR THE MEMBERS.

Family Savings CoOp is committed to constantly search for ways for families to both SAVE MONEY and EARN INCOME. We have multiple ways for you to save money.

Saving Opportunities

1. **Family Savings Club** - Provides savings on groceries and dining out. Simply go online and select the coupons for exact brands your family enjoys and at the stores you regularly shop. Download the coupons or have them mailed directly to you. You also receive notices on specials in stores in your area to increase your savings. You also receive specials on vacation stays around the world for as little as \$199 per week!

Presently over 2 million people are using this program. Its been proven! We guarantee \$3,000 savings the first year as you use the program. It works! (See the video on www.familysavingscoop.com for more details.)

2. **Product Discounts** - As the CoOp grows, so will our buying power. We will be able to negotiate significant deals on products that our Members want. Remember, as a CoOp, we are here to serve the Members!

3. **Asset Multiplication** - As the CoOp reaches a certain size, we will have the ability to buy strategic assets (i.e., manufacturing plants, etc.) on products our Members want. This will enable us to offer deep discounts on the products but also pass the profits back to the Members. We become a voice that has great leverage in the marketplace!

Earn Income

Family Savings CoOp provides income generating opportunities in the form of Patronage Refunds. As you “patron” the CoOp, you receive refunds. In addition, if you choose to participate in our Membership Drive and help enroll other Members, you receive not only a direct sales commission but additional bonuses and Patronage Refunds.

Founders Group

For individuals who want to help us kick off Family Savings CoOp, we are offering a unique opportunity to be part of a Founders Group. To qualify for this group, we simply ask that you help enroll 10 people by September 15. New Members pay a one time cost of \$30 for a life-time of savings! \$3,000 the first year! If you are interested in being a founder, simply email us at:

To: founders@familysavingscoop.com

Subject: "I want to be a founder"

Message: Provide your full name, address, and phone

Founders Call

We already have several founders qualified in just 2-5 days. For more information, please attend our Founders Call. We presently have room for 100 phone callers and 500 webinar participants. Please try to participate via web. **[The slides will be very helpful for you to follow alot of new information!](#)**
